Windows 11 IoT
LTSC

Efficient Wireless Connection

Fast & Stable
Connectivity

Bluetooth 5.3

Accurate Data Collection

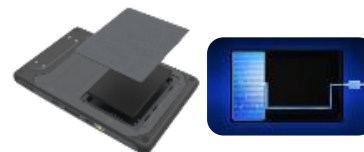

NFC
in Front

2D Barcode
Scanner
(embedded option)

Reliable Workforce Usage

Up to 4 hours
replaceable battery

Bypass battery charging
mode extend life span

IP65
1.2m drop
(with rugged case)

OP -10~45°C
Storage -20~60°C

Flexible Feature Extension

High-Speed (USB3.0)

AIM-65S Product Specification

Specification		AIM-65S
Dimension		246 x 146 x 21.6mm
Weight		800g (est.)
Computing Processor		Intel Twin Lake N150 (qual core, 6W)
Operation System		Windows 11 IoT Enterprise LTSC
Memory		8GB LPDDR5
Storage		128GB eMMC (up to 512GB eMMC)
Display		8" WUXGA 1200x1920, 400nits, Anit-UV ink
Audio	Line-in/out	Support via Type-C headsets
	Microphone	2x Microphone (Echo/Noise cancellation)
	Speaker	2W x1
Camera	Front / Rear	2 MP / 8MP
Communication	WiFi	WiFi 6E
	Bluetooth	BT 5.3
	5G/4G/LTE	Not built-in (support via extension port)
	GPS	N/A
Integrated Module	NFC (front)	Embedded option
	Barcode Reader	Embedded option
	Extension port	USB 3.0 (BTB, support to 5V/2A)
Battery	Li-Po, 2S1P, 34.79 WH, 7.1V, swappable	
	OP time: 3hrs (Brightness 80% and playback FHD video)	
	OP time: 4.5hrs (Brightness 80% and system Idle)	
RTC		3V/220 mAH
Environmental	OP.	-10°C ~ 45°C
	Storage	-20°C ~ 60°C
	Drop	120cm/4ft onto plywood (with rugged case)
	IP	IP65

Key Proposition

- Intel Twin Lake N150 CPU at Excellent CP Ratio
- Thin & Light Weight vs competitors (8" X86 Windows Fanless)
- Support battery-free charging mode
- Extension customization flexibility with USB3.0 high speed (GLAN, MSR...etc.)
